SEVERE EARTH SHOCKS SHAKE RENO, NEVADA

Power and Telephone Lines Are Knocked Down and Highway Slides Are Touched Off

FELT IN CALIFORNIA

Reno, Nev., Dec. 29 — (P) — Power and telephone lines were knocked down and minor highway slides touched off by renewed earth tremors which shook Reno heavily early today.

The shocks, apparently centering here, extended through the Sierra into northern California as far west as San Francisco and as far south as Fresno in the San Joaquin valley.

Three quakes, the first reported at about 4:55 a. m. were so severe as to knock the seismograph of the University of Nevada completely awry.

They were the latest in a series of shocks beginning Monday night when Reno was shaken seven times within a period of four and one-half hours.

The Bell Telephone Company reported its lines down near the California state line about 15 miles west of here.

As emergency crews were rushed out to determine the extent of the break, company officials said heavy electrical charges in the circuits indicated high-voltage power lines had fallen across them.

The heaviest shock was timed at 4:55 a. m. PST (7:55 EST) and was followed by three more within an hour. No damage was reported immediately.

The city had seven quakes Monday night with resulting disquiet among the population of 40,000 but only very minor damage.

Today's first tremor was preceded by a rumble.

At approximately the same time, shocks were felt in a large area of northern California's Sacramento valley and very lightly in San Francisco.

Marysville, almost due west of Reno, and approximately 80 miles away, felt the quake at the same time.

Police reported hundreds of calls.

Suicide Troops War Against Dutch Posts

Batavia, Java, Dec. 29 — (P) — Indonesian Republican sources said today Maj. Gen. U. Tono, one of the republic's fiercest warrior leaders is leading suicide troops in nightly raids against Dutch posts in the interior of Java.

These sources said Tono's men were the center of fierce fighting Monday night around Madoen, taken recently by the Dutch in their new "police action" against the republic. He also is said to have raided Dutch positions at Modjokerto, Kediri and Malang.

A Dutch News Agency (Aneta) correspondent reported today that all large buildings in Soerakarta, the Indonesian republic's second major city, were demolished by the Republicans before the Dutch entered.

Dutch experts estimated that at least three months of repair work were needed on power, water, gas and railway facilities, he said.

ALIQUIPPA OFFICER SHOWS IMPROVEMENT

Erie, Dec. 29 — (P) — Improvement was reported at St. Vincent's hospital today in the condition of Police Chief Trevor Jenkins, 50, of Aliquippa, who suffered critical injuries in a two-car auto crash Monday near Erie.

John Campbell, 39, of Aliquippa, a prisoner whom Jenkins was taking from Buffalo to Beaver Falls, was reported in fair condition. Two other persons injured in the same crash—Anthony Frattola and Earl Barton, 43, both of Cranestown, R. D. 2, were reported recovering.

Hope Dwindles For Charter Airliner With Thirty Aboard

Miami, Fla., Dec. 29 — (P) — Hope faded rapidly today for a charter airliner missing more than 24 hours on a flight from San Juan, Puerto Rico, to Miami with 30 persons aboard.

A fleet of 37 Air Force, Navy and Coast Guard planes went out at dawn to resume an intensive search over the 1,200-mile air route to San Juan and fanned out over the Florida peninsula and the eastern Gulf of Mexico.

A navy blimp from the Boca Chica Air Station at Key West joined the search, but the coast guard said at mid-morning "no results" had been reported.

The official passenger list, released at San Juan last night, named 25 passengers and a crew

Israel And Egypt Ordered By Security Council To Cease Hostilities In Negev Desert

Paris, Dec. 29 — (P) — The United Nations ordered Israeli troops today to retire from the Negev desert of southern Palestine. The Security Council also ordered both Israel and Egypt to end hostilities there.

The Council adopted a British-sponsored resolution by eight votes with three abstentions. No negative ballot was cast.

The United States abstained on all sections of the resolution as it was put to vote by paragraphs. Russia and the Soviet Ukraine abstained from all sections except the preamble and the order to cease fire.

Delegates also waited their own 6 p. m. deadline for Holland to liberate Indonesian leaders captured by Dutch forces. The Council last night gave the Dutch 24 hours to free the Republicans.

American spokesmen said late last night that U. S. Delegate Philip C. Jessup still had not received instructions from Washington on how to vote on the British resolution on Palestine.

In counting noses, observers guessed that Britain already had the seven votes needed for passage of the resolution.

The British resolution also calls for a meeting of the Council's seven-power truce supervision committee at Lake Success, N. Y., Jan. 6. It calls for prompt formation of the General Assembly's three-power conciliation commission—France, Turkey and the U. S.—which is supposed to work out a permanent Holy Land settlement.

New Premier Urges Unity For Egyptians

Cairo, Egypt, Dec. 29 — (P) — A new premier took over today the reins of government dropped by the assassinated Mahmoud Fahmy Nokrashy Pasha. He urged Egyptian unity for the struggle in Palestine.

The new premier is Ibrahim Abdel Hadi Pasha, who was chief of the royal cabinet. He is expected to carry out Egypt's policy toward Israel much as Nokrashy Pasha would have done.

The cabinet was readjusted. Hadi Pasha is a middle-aged lawyer who has held both parliamentary and ministerial positions. He was sentenced to death as a youth for his revolutionary political beliefs, but was released under a political amnesty in 1924.

He helped Nokrashy Pasha form the Saadist Party, now dominant in the chamber of deputies, after a split of the Wafdist Party in 1937.

King Farouk made the appointment.

Nokrashy Pasha was shot to death at his office yesterday by a Fuaud I University student who disguised himself in a second hand police uniform to gain admittance. The student was arrested. Police said he was Abdel Hamid Abdel Pasha, 21, a member of the Nationalist Muslim Brotherhood which Nokrashy Pasha, outlived less than three weeks ago.

Egypt planned a military funeral today for Nokrashy Pasha.

He will be buried at the Mausoleum of Abassieh, where rests his predecessor, Ahmed Maher Pasha. Maher Pasha was shot and killed by a pro-German a few minutes after he read Egypt's declaration of war on the Axis Feb. 24, 1945.

As an aftermath of Nokrashy Pasha's death, it was announced today that the University will remain closed "until further notice." It was shut down after rioting students killed Police Chief Selim Zaki Pasha there Dec. 4, but was to have

President Is Flying Back To Washington For Conference

Kansas City, Dec. 29 — (P) — President Truman flew back to Washington today for a White House conference later in the day which is expected to touch on the administration's labor proposals before the new congress.

The president took off in the Fairchild Field in Kansas at 11:10 a. m., to keep a White House appointment this afternoon with Philip Murray, president of the CIO and other CIO officials.

At the same time his aides announced a postponement, probably until Friday, of a scheduled conference with Vice President-Elect Alben Barkley and Rep. Sam Rayburn, prospective new speaker of the House. They were to talk at the White House tomorrow, but Barkley will not be in from Europe in time to keep the engagement.

Mrs. Truman and their daughter, Margaret, drove to the airport to see the president off. They are remaining at the home in Independence with Mrs. Truman's mother, Mrs. David Wallace, who has not been feeling well. Mrs. Truman and Margaret expect to return to Washington sometime next week.

The White House conference this afternoon is expected to touch on the administration's labor proposals before the new congress. Mr. Truman advocated repeal of the Taft-Hartley act during his campaign in which he was supported by the CIO.

Snow Removal To Cost Seven Million

Harrisburg, Dec. 29 — (P) — It will cost the state an estimated \$7,000,000 to keep its 41,000 miles of highways open to winter traffic.

Warren K. Myers, chief maintenance engineer for the State Highway Department, said that snow removal has become the department's most expensive maintenance item.

Myers emphasized that increasing demands of the public for clear roads during even the worst weather has made snow removal a year-round planning job.

Citing the extent of the state's snow removal program, Myers said that during a storm of state-wide proportions, some 1,500 trucks equipped with snow plows, 300 power graders, 200 tractors and 4,000 men are put into service at a cost of \$12,000 an hour.

Death On Gallows For Nine More Japanese

Yokohama, Dec. 29 — (P) — Death on the gallows was decreed today for nine Japanese officers, including three generals, for the beheading of 33 American fliers. Seventeen of the airmen were killed after Emperor Hirohito broadcast his surrender speech.

Sixteen other Japanese were assessed sentences ranging from five years to life by a U. S. Eighth Army Commission. Seven other defendants in the mass trial were acquitted.

Witnesses testified the U. S. airmen were decapitated after they were told their executions were in retaliation for the atomic bombings of Hiroshima and Nagasaki.

THREE LOADED TANK TRUCKS IN COLLISION

Drivers of Two Vehicles Are Killed In Accident On Ice-Covered Bridge Near Norristown

Norristown, Dec. 29 — (P) — Three loaded fuel oil tank trucks collided on an ice-covered bridge today, killing two of the drivers.

State police identified the dead as George Morgan, 27, of Sellersville, and Frank Rosenberry, 32, of Ambler.

The third driver, William Stover of Telford, escaped injury.

State police said Stover's truck stopped on a bridge in nearby upper Gwynedd township. Rosenberry, who was behind Stover, attempted to stop his truck but skidded on the icy highway and crashed into Stover's truck and then struck the bridge.

Stover's truck jackknifed across the bridge. Morgan, following behind Rosenberry's truck, went into a skid and struck Rosenberry's truck. State police said Rosenberry was crushed to death in the cab of his truck.

Morgan's truck also jackknifed across the highway, struck the bridge and burst into flames. Morgan was burned to death in the cab.

Firemen from North Wales, Center Square and North Ambler battled the blaze for nearly an hour.

Morgan and Rosenberry were employed by Tank Truck Rentals, of Center Square, Pa.

Stover was enroute from Marcus Hook to Northampton with 4,200 gallons of fuel oil. He was standing beside his truck near the small concrete bridge which carries the highway over Wissahickon creek when Rosenberry drove up, going in the same direction.

Police Chief Kenneth Remp of Lower Gwynedd township said Rosenberry evidently saw the parked tanker at the last minute and applied his brakes.

The fiery triple collision on the fog-shrouded highway tied up traffic over the heavily-traveled De Kalb pike for hours.

Daring Rescue Air Force Achievement

Washington, Dec. 29 — (P) — The Air Force proudly counted among its achievements today the daring rescue of 12 marooned airmen from a bleak 7,800-foot Greenland ice cap.

Hero of the new northward saga is 32-year-old Lt. Col. Emil J. Beaudry of Manchester, N. H. He landed his big specially-equipped C-47 transport on the wind-swept cap yesterday and in 38 minutes was airborne again with a dozen jubilant passengers.

Long hours later however only the skeletal details of the dramatic operation were known here.

Washington, Dec. 29 — (P) — The government may not lose to a half million dollars for the whole series of events that led up to yesterday's dramatic rescue of 12 air force men from a Greenland ice cap.

In addition to the original crash of the \$100,000 C-47 which put the first seven men on the icy plateau, three futile rescue attempts cost the Air Force one B-17 and two gliders. In addition, the service had at least 14 aircraft engaged in rescue operations, including one flown across the top of the continent from Alaska to Greenland.

The navy ordered the 14,500-ton carrier, Saipan, from Norfolk, Va., to Greenland to try to rescue the men with helicopters. The Saipan had traveled 1,380 miles through stormy north Atlantic water before the mission was halted by the rescue of the men.

TWO RACKETS TRIALS COMING IN PITTSBURGH

Pittsburgh, Dec. 29 — (P) — Two of the 66 persons indicted by a special racket grand jury will be tried next week, District Attorney William S. Rahauser said today.

They are Mike Fusarelli, charged with pool-selling and bookmaking, and Saul Ross, accused of operating a lottery.

Rahauser said neither of the trials is a "major" case. He added other defendants will be brought to trial as speedily as possible.

Pinhurst, N. C., Dec. 29 — (P) — Secretary of State George C. Marshall is at his Pinhurst home, Lacombe Lodge, where he will rest for an indefinite time.

Secretary and Mrs. Marshall arrived here yesterday from Washington. Marshall underwent a kidney operation at Walter Reed Hospital in Washington three weeks ago.

Hospital physicians said there the secretary is scheduled to undergo a long period of recuperation.

Death On Gallows For Nine More Japanese

Yokohama, Dec. 29 — (P) — Death on the gallows was decreed today for nine Japanese officers, including three generals, for the beheading of 33 American fliers. Seventeen of the airmen were killed after Emperor Hirohito broadcast his surrender speech.

Pilots Greenland Rescue Plane

Lt. Col. Emil J. Beaudry, right, of Manchester, N. H., flew the skiffed Air Force C-47 which rescued the 12 men stranded on a Greenland icecap. Here, he steps from another plane at Blue West One air base in Greenland after an earlier unsuccessful rescue attempt. With him is Lt. Calvin Jackson of Salt Lake City, Utah.

Freezing Rain Is Snarling Traffic On State Highways

By The Associated Press

Freezing rain hit some sections of Pennsylvania today, icing highways and snarling traffic.

Transportation facilities were hampered at various points. Numerous highway crashes included a three-truck collision near Norristown which killed drivers George Morgan, 27, Sellersville, and Frank Rosenberry, 32, Ambler.

The State Highways Department urged all motorists today to drive with "extreme caution" because of icy conditions of roads.

The department said light freezing rains have created icy spots throughout the state, particularly in elevated areas. Colder crews went to work in all sections.

Residents of the Hazleton section skidded on slick-covered highways and streets. Hazardous driving conditions disrupted bus schedules and stalled cars and trucks on routes entering the city.

Numerous traffic tie-ups occurred in the Allentown area and poor visibility closed the Allentown-Bethlehem-Easton airport.

Near freezing temperatures accompanied the rain in central Pennsylvania mountains.

The weather man said elsewhere in the state the rain was accompanied by temperatures slightly above freezing.

Tonight temperature will drop to about freezing in most areas, bringing the possibility of a widespread driving hazards.

The weather bureau reported a storm centered over Michigan and laden with snow will by-pass eastern Pennsylvania as it moves off to the northeast.

But the extreme northern section of the state, especially around Erie, might get some snow.

Delayed Christmas Party For Tot Kidnaped By Its Mother

Hamburg, Dec. 29 — (P) — Even Santa Claus will be on hand when little Vicki Jeanne Snyder, found safe after a nine-day nationwide search, returns from California to her foster parents.

The three-year-old tot's mother, who is charged by police with kidnapping the child, went yesterday along with her husband to police at Pomona, Calif.

The happy foster parents, Mr. and Mrs. Harry M. Snyder, of Harrisburg, set immediately about planning a delayed Christmas party for the child. Vicki disappeared the evening of Dec. 19 just before she was to attend a Christmas party at her Sunday school.

Mrs. Jeanne M. Eraget, 21, the child's mother, was taken from Pomona after her surrender of Los Angeles county jail and booked on a fugitive warrant sent by police here. Her present husband, John Eraget, 35, of Tacoma, Wash., was booked along with her.

Vicki was turned over to juvenile authorities pending her return here.

Harrisburg authorities meanwhile moved quickly to speed the return here of the Bragets to face the kidnapping charges. District Attorney Carl B. Shelley said he had been advised by the Los Angeles sheriff's office that the couple had agreed to waive extradition. The couple was quoted at Los Angeles, however, as saying they would fight extradition.

The Bragets told police when they surrendered they didn't know there was a search for them until they read about it in California papers.

Vicki was adopted by her paternal grandparents after her parents were divorced three years ago.

Erie Resident Is Wounded By Bullet

Ripley, N. Y., Dec. 29 — (P) — Carlos Feussler, 45, of Erie, Pa., was found with a critical bullet wound near his heart beside his automobile on the Sherman-Ripley road.

State police said he might have been robbed.

Feussler was taken to Westfield Memorial Hospital after his disoriented yesterday.

A .32 calibre revolver was found in a ravine a few feet from his car. District Attorney Edwin G. O'Connor of Chautauque county said.

Feussler was an automobile dealer, Trooper Walter Weiss said the Westfield state police barracks said he was told. Weiss quoted an Erie attorney, William Dale, as saying Feussler usually carried about \$9,000 in bills, but no money was found in his pockets.

JOHNSTOWN TAX PLAN

Johnstown, Dec. 29 — (P) — City council yesterday levied a 1949 mercantile tax of one mill on gross retail business and one-half mill on wholesale business. It is based on the gross business in the last 11 months of 1948. Council repealed a \$1 a year per capita tax on male residents and introduced measures to eliminate a \$2 fee on gasoline pumps and to exempt from the business license ordinance all firms and persons covered by the new mercantile tax.

Irwin, Dec. 29 — (P) — Ralph L. McGarry, 63, of Hempfield township near Jeannette, recently re-elected lieutenant governor of division six, Pennsylvania Kiwanis International, died of a heart ailment last night in his auto as he arrived here after installing new Kiwanis officers at Jeannette. A native of Findlay, O., he is survived by a son.

AGING PRESIDENT SUMMONS NATIONALIST CHIEFS TO TALK ON PLANS FOR WAR OR PEACE

Nanking, Dec. 29 — (P) — From all corners of China today came Nationalist military leaders to talk with Chiang Kai-Shek about plans for war or peace.

The aging president, urged by many to quit, called the conference. It probably will start tomorrow. On its decision may rest the future of Nationalist China, beset on the north by conquering Communists.

Even as the warlords, generals and leaders arrived in Nanking, a government source revealed that a red underground organization was hard at work only two miles from the capital.

A hint that Chiang, or his Nationalist leaders under a new chief, would carry on the fight came late in the day. Gen. Chen Cheng, former army chief of staff, was appointed governor of Formosa by the executive yuan (council).

His appointment, plus the fact the navy and air force have moved some of their headquarters units to the big island might presage a fight of Chiang's government there if Nanking is attacked.

North of the Yangtze it appeared almost all was over for Chiang's men. A few pockets held out, notably in Peiping and Tientsin, and Gen. Tu Li-Ming's Red-surrendered force 50 miles south of Suhow. None seemed to have any chance of getting out.

Best available sources here said the group attending the policy-making conference would include Gen. Lu Tsu-Hsi, whose military reputation added fact when his armies were trapped in Tientsin and Peiping. Fu was not on the original list of army commanders invited to the conference but he was reported en route by plane from Peiping.

One report said T. V. Soong, brother-in-law of Chiang and the only civilian governor left in Nationalist China, was flying here from Canton to join the conference.

Nanking was filled with rumors of what the source described as the forthcoming meeting as a "roll call" of the National leaders who still retain personal followings either military or civil in order to determine the feasibility of continuing the war with the Communists.

There was almost constant movement among the top officials today as they exchanged opinions.

There were recurrent reports here that Chiang, after more than 20 years at China's helm, had decided to quit. His successor, these sources said, would be Vice President Li Tsung-Jen, who might try to negotiate peace with the Reds. But whether the Communists, who list Chiang as the No. 1 war criminal to be tried, will negotiate with any National government is problematical.

All high sources denied the rumors.

Steadily Chiang has been pulling back all the troops he was able to

Decision For Ruhr Causing Loud Protest

Frankfurt, Germany, Dec. 29 — Western Germany's political leaders let out a howl of protest today against the western Allies' new Ruhr agreement.

The decision to set up a Ruhr authority to control Germany's coal and industrial basin prompted some of the harshest German criticism of the Allies heard since the war.

After a night of reading and digesting the Allied text, all political parties began to denounce the six-nation plan publicly.

The Ruhr's important trade unions added their protests, too.

The criticism was general, wide, spread and pained. Not only the big political machines, but the struggling little parties and the man in the street said they "could not understand it."

Some of the sharpest criticism came from the left-wing Socialist Democratic Party (SPD) which is almost all-powerful in the Ruhr region and stands for Socialism of the British type.

Uniformly, the non-Communist parties demanded that the key industrial areas of England, France, Belgium, Holland and Luxembourg be "internationalized" along with the Ruhr. The nations area, with the United States, parties to the pact.

The German Communist party, as had been expected, took the line that the agreement was a step to put Germany's one time war arsenal into the "western organizers of a new war conspiracy."

However the Ruhr plan won favorable reaction in Britain and France.

Russia, left out in the cold, was scornful. The Moscow radio said the plan was a triumph of American "reaction."

ATLANTIC INCREASES PRICES OF GASOLINE

Philadelphia, Dec. 28 — (P) — The Atlantic Refining Company today increased tank wagon prices of gasoline a half cent a gallon throughout its marketing territory.

A company spokesman said "it is assumed the retail price at Atlantic stations also will be boosted a half cent."

Atlantic Refining Company officials in Warren said the price hike was placed in effect here today, and that he expected the Atlantic station here to raise the retail price from 25 to 25½ cents for motor gas and from 27 to 27½ for Hi-Arc.

MICHIGAN BOMBER IN CRASH NEAR FIELD

Detroit, Dec. 29 — (P) — A Michigan National Guard B-26 bomber plane, fighting rain and sleet, crashed and burned six miles from its base last night.

At least four men, including three Air Force personnel and a guard officer, were killed.

The bomber, about to complete a routine navigational flight from McChesney Field, Fla., exploded as it crashed.

It fell in a field and was destroyed. It was only moments distant from its Wayne county airport base.

Predictions Being Made The Closed Shop Will Be Restored

Washington, Dec. 29 — (P) — People on both sides of the labor-management fence are predicting that the 81st Congress will make the closed shop legal again.

If this happens, great numbers of workers will be brought under contracts requiring them to be union members in order to get or hold their jobs.

Labor leaders are taking it for granted that the closed shop ban in the Taft-Hartley act is doomed. Officials of the Chamber of Commerce of the United States say this "seems likely."

Senator Taft (R-Ohio), one of the sponsors of the Taft-Hartley law, told a reporter: "It is safe to say that the absolute prohibition of the closed shop is likely to be changed."

But Taft quickly added that it's impossible to predict exactly what Congress will enact on this general subject. He hinted he will seek a "closed union" ban as a substitute for the closed shop ban.

"If we are going to permit the closed shop, we can hardly have the closed union," he said.

By "closed union," he means a union that bars people from membership on grounds other than non-payment of reasonable dues or initiation fees.

Taft predicted flatly that Congress will eliminate the Taft-Hartley provision which prohibits a union from writing a "union shop" contract unless a majority of the employees authorize it is an election.

SPECIAL PRIVILEGE TAX

Butler, Dec. 29 — (P) — City council has passed a business privilege tax, assessing all professional men two mills on their annual gross income. The minimum tax will be \$100 a year. It is estimated to raise \$15,000 annually and will become effective in 30 days.

COLE HILL

Cole Hill, Dec. 29—The Torpedo Union Sunday School gave a Christmas entertainment in the Community church on Christmas eve with a large gathering in attendance. Following a program presented by the children, Rev. L. W. Frank, Union Sunday School missionary of Warren and Forest counties, presented moving picture slides of the birth of Christ and the story, "When the Littlest camel knelt," which was very interesting to the audience. At the close of the entertainment Santa Claus made his appearance with sleigh bells. The Sunday school children all stood up and sang, "Here Comes Santa Claus."

The Garland school, where our children attend, closed Wednesday until January 3 for a Christmas vacation. Gifts were exchanged Wednesday by the pupils and teachers.

Mr. and Mrs. Philip Fehlman

and daughters, Rachel, Mary and Philippa, of Pittsfield, were visitors at the home of Mr. and Mrs. Will's Wentworth and family Friday.

Mr. and Mrs. Norton Eastman and children, Lois, Clifford and Marie, of Irvine, were Sunday visitors at the home of Mr. and Mrs. Howard Eastman and family.

Mr. and Mrs. Ray McChesney, accompanied by the latter's parents, of Youngsville, were at Warren Christmas shopping Wednesday.

Mr. and Mrs. Wilks Wentworth and son, George, were Warren visitors Wednesday evening. Earl Messinger's milk truck which hauls the milk to the Car-nation plant in Corry every other day, came Thursday, Friday and Sunday and Monday so that the help in the plant could have Christmas Day off.

The Star mail carrier between Titusville and Warren, who is generally on time with his deliveries, was late one morning last week out of Titusville because of two flat tires, one the night before and one in the morning. Our rural carrier, as well as seven other carriers, was affected as they wait for the morning mail before starting out on their routes.

Benton Van Guilder, of Grand Valley, was over the hill Tuesday buying live stock.

F. L. McChesney was in Titusville shopping Wednesday.

Alex Zavinski, who has been working at Meadville, is doing some fine repairing on his house, the former A. E. Farr place.

Miss Shirley McChesney, teacher at Outler Corners school, closed her school for vacation with a Christmas tree. A fine program was enjoyed by the children. Both

teacher and pupils received some very fine gifts.

Several from here attended the wedding reception in the auxiliary room in Tidouite for Mr. and Mrs. William Johnson, a bride and groom of recent date.

Mrs. F. L. McChesney, who has been a patient in the Hamot Hospital in Erie, is much improved but still is under the doctor's care. She expects to go back for treatment the 29th of December.

Apology Letter May Save Vandals Trouble

A. F. Landon, 10 Conewango avenue, said today the three young men who caused considerable damage to ornamental shrubbery in front of his home yesterday morning at 2:45 o'clock can save themselves a lot of trouble by writing a letter of apology for their misdeeds.

The vandals smashed a valuable ornamental iron flower pot containing an evergreen in the driveway, trampled several other shrubs and stole a Christmas wreath from the front door.

Landon said he recognized one of the three youths as he raced across the street and climbed into a car with two other boys after he had rung the doorbell. He said the matter will be turned over to the police unless an apology is forthcoming.

Noted Churchman To Deliver Talk Here On January Fifth

Dr. Benjamin J. Bush, a leading authority on the condition of the church in Europe, will speak on "The World Mission of Churches" at three o'clock Wednesday afternoon, January 5, in the First Methodist church.

His appearance here is being sponsored by the Warren County Ministerial Association and a cordial invitation is extended to every person in the community interested in the conditions and problems of missions in the European fields.

Dr. Bush, a staff member of the department of reconstruction and inter-church aid of the World Council of Churches at Geneva, Switzerland, is personally in charge of church reconstruction in nine European countries.

As a special representative of the Presbyterian church, USA, he is also coordinator of a Presbyterian staff of seven working in France, Czechoslovakia, Germany and Portugal.

Traveling constantly over Europe and in direct personal touch with all classes of people, Dr. Bush tells a story of tragedy and heroism that is authentic and deeply moving. His ability to speak fluent Dutch has given him particular entree into Holland, where some of the most encouraging progress is being made toward reconstruction of church and community life. He is almost equally at home in France and Germany and has spent much time in Italy.

When the war ended in Europe, Dr. Bush was pastor of a large church in Detroit, a member of the Michigan Governor's Mediation Board, a trustee of Centre College, and of Louisville Theological Seminary, and a member of the Presbyterian Board of National Missions.

Because of his recognized familiarity with Europe and Russia, gained from frequent visits, he was asked to resign his pastorate and to serve as a Presbyterian member of the reconstruction staff of the World Council of Churches at Geneva.

A graduate of Hope College and New Brunswick Theological Seminary, Dr. Bush has served in both the Reformed Church in America and the Presbyterian Church in the USA. He has been pastor of several large churches and moderator of both the Synod of Kentucky and Synod of Michigan.

He is now visiting this country in connection with his work in Europe.

Quartet Revue Planned For Youngsville

Plans for a Barber Shop Quartet Revue to be staged by Brokenstraw Grange on January 20 in Youngsville high school auditorium, was the chief item of business discussed at the regular meeting of that organization held last evening in the Grange Hall.

Also announced during the business meeting was the installation of new officers at the next regular meeting on January 11, when Rollo McCray, state deputy master from Erie county together with his staff, will perform the ceremonies. An oyster supper will follow the installation.

General committee in charge of the Quartet Revue is headed by Leo Johnson, and includes Robert Albright, Don Warner, Cleve Richards, Kenneth Haight, Kenneth Ward, Edolph Johnson, Edward Day, Mr. and Mrs. Metro Tecnochuk, Mrs. H. H. Husted and Harvey Horn.

The featured quartets will be the Symphonic Four, Harmony Kings, the For Fun Four, and the Four Notes, all from Jamestown chapter of SPESQSA, with "Elmer The Great" as an added attraction.

Young Men Have Few Days To Enlist

Only a few days remain for young men to enlist for Army service in the European Command, it was announced today by M/Sgt. Donald F. Miller, Commanding Officer of the local U. S. Army and U. S. Air Force Recruiting Station.

The sergeant stated that enlistments for the U. S. Army's First Infantry Division and the U. S. Constabulary Forces, both located in Western Germany's occupied zone, will be terminated on December 31st. He emphasized the fact that men who are interested in enlisting in either of these veteran organizations should not defer their enlistments because of a natural desire to remain at home for New Years Day, and went on to explain that current Army policy permits the enlistee to spend his first ten days at home before proceeding to his basic station.

Actually, this is a vacation with pay, as the Army pay starts on the day of enlistment.

Men who are interested in joining either the First Infantry Division or the U. S. Constabulary Forces are urged to contact their nearby U. S. Army and U. S. Air Force Recruiting Station, located at Post Office Bldg., Warren, Pa., for further information.

Attorney For Burglars Ask Resentencing

Franklin, Dec. 29—Sentences of seven and a half to fifteen years in the Western Penitentiary were imposed Tuesday on Eugene O. Shea, 42, of Titusville and Hey Brewer, 33, of Corry, who were convicted in November of burglary in connection with the entry of the Slye implement store at Seneca. The sentences will not be put into effect immediately because Attorney John A. Heyison, counsel for Brewer, who arrived in court after the men had been sentenced, filed a motion for resentencing. While this does not affect O'Shea, he will be held in jail until Judge Lee A. McCracken disposes of the motion in Brewer's case.

The purpose of Attorney Heyison's motion, presumably, is to enable him to address the court on behalf of his client.

Neither defendant was represented in court by counsel when they were arraigned Tuesday forenoon, and when Judge McCracken asked them if they had anything to say why sentence should not be pronounced upon them, both shook their heads negatively.

Sentence was then passed without comment by the Judge. The whole procedure was very brief and the two men were taken back to jail. When Attorney Heyison arrived shortly afterward he filed his motion and Judge McCracken expected to pass on it soon.

If the sentences are not modified, O'Shea and Brewer will have to serve at least seven and a half years, unless, of course, they are pardoned or their sentences commuted. If their conduct in prison is exemplary they can be paroled at the end of the minimum sentence.

Members of the State Police who were active in developing and presenting the case against O'Shea and Brewer were in court when the sentences were passed, but had no part in the matter.

The trial of the two men consumed two and a half days, but the jury deliberated only 28 minutes in reaching a verdict. Both defendants denied any connection with the Slye burglary.

Soon after the trial, Attorney Heyison filed a motion for a new trial for Brewer, but later withdrew it.

The sentences date from August 16, 1948, the day the two men were arrested in Titusville. They have been in custody ever since, being unable to furnish \$10,000 bail.

There are four other charges against the two men. One is for breaking into the Otto-Cupier Torpedo Co. factory near Titusville and the other is for burglarizing a feed mill at Bear Lake, which was destroyed by fire starting from blowing of a safe. If the Venango county sentence is carried out, it is doubtful if these charges will be pushed. Sheriff Cunningham has a detainer that was to take effect in the event that O'Shea and Brewer were acquitted at Franklin.

Warren Trio Entered in Ring Tourney

Nearly 40 amateurs, including three from Warren and one from Bradford, have registered for the Golden Gloves boxing tournament to be held in Erie Jan. 13, 14 and 15. Open champions of the tourney will qualify for all-expense-paid jaunts to the state finals Golden Gloves meet in Pittsburgh.

The Warren entries—Rudy Ahlgren, 143 pounds, Gall Johnston, 160 pounds, and Chuck Hahn, 165 pounds—and John Herzog, 185 pounds, of Bradford, are under the supervision of Joe Fazio, former local leather-slinger. All will compete in the novice class.

Other entries outside of Erie include Steve Musick of Union City; Lawrence Newberry and Clarence Vorse of Girard; Ore Weislogel, of Fairview; and Harold Heuser and Tony Reitz of Harborcreek.

Competition is listed for eight weight divisions in both the open and novice classes. Entries close Jan. 10 with Art Monahan of the Erie Dispatch.

FRANK E. HAZZARD

Frank B. Hazzard, 81, prominent resident of Bradford for the past 57 years, died Wednesday morning at 1:15 o'clock at the Bradford Hospital.

Mr. Hazzard was born Sept. 17, 1867 in Richland, Oswego County, N. Y., the son of the late Benjamin and Frances Hazzard. When a young boy, Mr. Hazzard worked in a general store in his native community and then in 1891 at the age of 19 went to Watertown, N. Y., where he secured employment in the Harmon Machine Shop.

Mr. Hazzard was united in marriage to Lillian Smith Ryan in the spring of 1894. A short time later the young couple moved to Rixford, where Mr. Hazzard began a long career with the Tidewater Pipe Co., under the late George Baptie.

In 1903, he was transferred to Klondike as a gauger and in 1911, he was moved to Bradford in the same capacity. He worked in Bradford until July, 1930, when he was retired on pension. However, Mr. Hazzard was an oil producer in his own right until the time of his death.

He was a member of the Benevolent and Protective Order of Elks and the First Presbyterian Church.

He is survived by his wife, Mrs. Lillian Hazzard; two sons, Burt F. Bradford, and Carl E. Hazel Hurst; two brothers, William J. Syracuse, and John J. Kinzua;

three grandchildren, Francis Hazzard, Limestone, Thomas Hazzard, Bradford, and Doris Lee Hazzard, Hazel Hurst; and one great-grandchild, Sandy Kay Hazzard, Limestone.

Funeral arrangements are under the direction of the Koch-Chapley Memorial Chapel, of Bradford.

Sophomore Class Plans '49 Frolic Saturday Night

Members of the Warren High School sophomore class have plans just about complete for their first party in the month of January, scheduled for Saturday evening, January 1, from 8:30 until 11:30 o'clock in Beaty Junior High School.

Carroll Kotmair and Ann Johnson are co-chairmen and have termed their party "The 1949 Frolic." The sophs are going all-out to make theirs the best of the class parties and have engaged Harry Summers' Orchestra for this first function of the new year.

JoAnn Gibson and her committee are hard at work on plans for the floor show and indications are that it will be a good one.

There is no admission charge for the community youth affair, but Nula Cheronis and her very able committee will be at the door with the regular donation box.

Those who are helping with decorations and set-up are asked to be on hand at the school from two until four o'clock on Saturday afternoon.

The Frolic is open to all 'teens through twenties.

Engle And Lamb Rites Of Interest

At eleven o'clock in the morning of Christmas Day, Miss Audrey Devine, daughter of Mr. and Mrs. Harry Lamb, 334 Eagle street, Corry, became the bride of Warren F. Engle, Bear Lake RD 1, son of Mrs. Mahel Brown, of Warren, and Frank Engle, of Jamestown.

The double ring ceremony was performed in the home of the bride's parents, Rev. R. R. Merfman officiating in the presence of the immediate families.

The bride was attractively gowned in aqua metallic crepe, with which she wore black accessories and a corsage of red roses and white pompons.

Miss Joan Lamb, attending her sister as maid of honor, wore gray taffeta, black accessories and a corsage of yellow rosebuds.

Charles Wetmore, brother-in-law of the bride, was best man for Mr. Engle.

Following the ceremony, the wedding dinner was served and the couple left for a short honeymoon. They will reside in Bear Lake RD 1.

Mrs. Engle is a graduate of Corry High School and is employed as switchboard operator and receptionist at the Corry-Jamestown Manufacturing Company.

Mr. Engle, following four years in the army and overseas duty in the European theatre, is engaged in farming.

Vaning Year Is Weighed By Poor Man's Philosopher

By HAL BOYLE
New York—(AP)—The year has come to a final harvest—and the harvest is fine.
1948 A. D. will go down in the record books as one of the best years of our lives.
It was a time when, on many a night, man rescued his spirit from the chaos of the post-war world and it was a time when he opened his eyes to a new dawn of hope and peace, even though it was at present only a peace of hope.
It stood out as a year of rising peace. A flood tide of American goods and machines flowed out in waves that had the power to wash away some of the miseries in other lands.
There was work for almost everyone. There was a jingling in the pockets, and many things in the stores to buy. The price tags were high. But at the end of the year the price tags were coming down.
Looking back now, 1948 seems like Shakespeare's "a winter's tale." In the old days families used to gather around the fire and hear a good winter's tale before going to the warmth of bed and sleep. A good winter's tale had some sadness in it, some gladness—and hope at the end. And hasn't 1948 been just that kind of a story, too?
It had romance, adventure, leath, prosperity, tears—and a great big belly laugh.
In brief:
Everyone got a valentine thrill out of the wedding between "Boo" and the slapping Cinderella, and young Winthrop Rockefeller.
The heart of boyhood was broken with the death of Babe Ruth, victim of one of mankind's oldest enemies. "Black Jack" Pershing dipped his colors and rode off to the endless resting place of all

second world war. If hysteria throughout the world isn't dead, it is at least dying.
Well, so long 1948. We only hope 1949 can keep up the good work. People are already saying, "Everything fine in '49."

LANDER
The Methodist church choir gave a cantata, "Chorus In The Slices" by Fred B. Holton, in the church Sunday evening.
Members of the High School classes of the Sugar Grove-Lander school presented a cantata, "Chimes of the Holy Night," in the Sugar Grove Methodist church under the direction of Mrs. Ruth Titchner, music teacher.
Miss Florence Boyd, of Warren, spent the weekend with Mr. and Mrs. Roy E. Lundell. Alfred Jones of Clarendon, also spent Christmas day at the Lindell home.
Miss Agnes Carlson, of Jamestown, spent the weekend with her mother, Mrs. Anna Carlson.
Mr. and Mrs. Stanley Fosburg, of Jamestown, called on Mr. and Mrs. Joe Swanson, Sunday.
Herbert Stanton was pleasantly surprised on Wednesday evening, when 25 members of his family came to help him celebrate his 91st birthday. Mr. Stanton was presented a purse of money and ice cream and cake were served.
Roderick Bergstrom, of State College, and Jack Bergstrom, of Edinboro, are spending their holiday vacations with their parents, Mr. and Mrs. Harry Bergstrom.
Mr. and Mrs. Donald Branstrom and daughter, Candice, of Ann Arbor, Mich., are visiting their parents, Mr. and Mrs. Paul Lindell and Mr. and Mrs. Edwin Branstrom, of Russell.
Mr. and Mrs. Ralph McGee and son, and Norman McGee, visited their parents at Duke Center on Christmas day.
Sunday guests of Mr. and Mrs. Harry G. Nelson were, Mr. and Mrs. Paul Nelson of Buffalo, Mr. and Mrs. Carl Patterson of Sheffield, Mr. and Mrs. Evan Wilcox of Lander.
Sunday guests of Maude Ludwick were, Mr. and Mrs. Paul Ludwick of Titusville, Mr. and Mrs. Fred Ludwick, Mr. and Mrs. Harry Ludwick.
Mr. and Mrs. Fred Putnam and sons, of Reynoldsville, are visiting Mr. and Mrs. Clair Putnam.
Mr. and Mrs. Joseph Swanson and daughter, spent Christmas with Mr. and Mrs. Harold Barnes at Sugar Grove.
Weekend guests of Mr. and Mrs. Paul Lindell were Mr. and Mrs. Ernest Ellinger and daughters, Mr. and Mrs. Robert Lombardo, of Jamestown; Mr. and Mrs. Donald Branstrom and daughter, Candice, of Ann Arbor, Mich. Miss Amanda Peterson was also a guest on Sunday.

Truman Wants It Simple: His Request Will Be Ignored

Jan. 20: In 1943, the President's speech was the shortest inaugural address in history. In 1949, there will be more hot dogs than Washington ever saw on one day before.

By DOUGLAS LARSEN
NEA Staff Correspondent
Washington—(NEA)—President Truman wanted "an inaugural ceremony as simple and as inexpensive as possible."
Here's the way such modest requests of the President of the United States are carried out:
Activities will last one week, beginning on Sunday, Jan. 16, with choral singing in front of the White House and special prayers in all of the churches and ending a week later on Saturday night with gala formal balls sponsored by the various states.
In between there will be hundreds of official and private cocktail parties, scores of banquets each night, big receptions at most of the embassies, numerous band and orchestra concerts, special daily radio shows and movies, special displays in all of the stores, dances, luncheons, holidays for the government workers and school children and of course the inauguration ceremony itself on Thursday, Jan. 20, followed by a giant parade.
William A. Xanten, a sanitation official of the District of Columbia and chairman of the inaugural subcommittee on refuse disposal, estimates that the parade crowd will set an all-time record in Washington by leaving behind 1000 cubic yards of wastepaper, miscellaneous debris and peanut shells—packed tightly. A Shrine parade back in the '30s which produced 500 cubic yards of rubbish has held the record so far in Xanten's book.
Richard Mansfield, a former circus official and chairman of the concessions committee, estimates that there will be 500 specially licensed vendors. His committee has agreed upon a ceiling of 20 cents for hot dogs and 10 cents a bag for popcorn and peanuts. He estimates that 500,000 hot dogs will be sold on inauguration day, more than twice as many as were sold the day of the Shrine parade, which he says also held the previous record for frankfurter sales in the District of Columbia.
An estimated 750,000 visitors—another all-time record—will squeeze into the city which is already tight-fitting for its own citizens. The price of some hotel rooms is reported up to as much as \$100 a night for the week.
More than 400 paid and volunteer workers occupying the whole first floor of a government building have been working on the event for a month. Arrangements are being handled in true bureaucratic form, befitting the event.
For instance, there is a committee in charge of getting special license plates to be used by all

members of the committee on their cars during inaugural day. There is another committee charged with taking out insurance on committee members to protect them against accident while doing committee work.
Grandstands and seats for the parade—brought from every stadium, auditorium, arena, pool parlor and funeral home in the District—are being set up along the route. They will seat about 40,000 persons and sell for \$2 to \$10. Tickets to the official inaugural ball will be \$10 per person. Only 5200 persons will have the privilege of paying that price. You have to be invited.
The most exclusive social event of the whole affair will be the reception which the President will give in the National Gallery of Art—the White House is being repaired—after the parade. Only several thousand persons in the inner circle of Democrats will get bids.
The actual swearing-in ceremony will take place in front of the Capitol on a \$70,000 stand which the Republican 80th Congress provided, apparently believing that Gov. Dewey would be using it.
Plans for the parade are still uncompleted. The latest plans include state guard units from most of the states, approximately 100 bands including those from Annapolis and West Point, eight divisions of servicemen, many quadras of planes flying overhead, Boy Scouts, Girl Scouts, Legionnaires, beautiful girls, hundreds of elaborate floats and many groups of foreign delegations.
Melvin D. Hildreth is chairman of the whole shebang. He wants to know how simple you can make a Presidential inauguration to satisfy the President.

Poison the Rats—Fortified red squill, either the powder or liquid form, is the safest rat poison to use, says E. J. Udine, extension entomologist of the Pennsylvania State College. Some other poisons used for rats are extremely dangerous to other animals and humans. Red squill is not only safe but effective.
Costs Are Threat—High costs of things they must buy, rather than low market prices for their products, can affect farmers unfavorably during periods of recession, reminds W. F. Johnston, extension agricultural economist of the Pennsylvania State College. He recalls what happened after World War I in farm costs and prices.
Plan Hog Pastures—Farmers now planning pasture crops for next year should include alfalfa for their hogs, says L. C. Madison, extension livestock specialist of the Pennsylvania State College. Good alfalfa pasture saves 15 to 10 per cent of the grain and 20 to 40 per cent of the protein supplement needed in producing pork.
Remove Calves' Horns—Chemicals can be used to remove horns on calves at an early age, according to J. C. Nagelotte, Penn State extension dairy specialist. At least one preparation must be used when the calves are less than a week old. Follow directions in using.
Expect Pork Increase—The national 1949 spring pig crop is expected to be 15 to 20 per cent more than this year, says Kenneth Hood, Penn State extension agricultural economist, in reporting the agricultural outlook for the new year.
Protect Evergreens—In case of heavy snowfall use a broom to remove it from evergreen shrubs, urges A. O. Rasmussen, Penn State extension ornamental horticulturist, or damage may result.

Dragon Cagers Defeat Alumni Five, 44 to 40

Superior shooting from the foul line paid off big dividends for the Warren High School basketball varsity in Beatty gym last night as the Dragons bested an Alumni squad, 44 to 40. The win was the eighth in nine starts this season for the Massachus.

The Dragons will swing into action again Friday night on their home boards when they tangle with the unbeaten Erie Tech squad. The Erie team will be doing an iron-man stunt, facing Bradford on the Ows court Thursday night and then coming here for Friday night's tussle.

The Varsity crew, paced by Ted Shattuck with 12 points and Chuck Reese with 10, slotted 15 field goals and connected on 14 of 29 chances from the charity stripe. The Alumni, paced by Dick Reed, cool-headed pivot from last year's championship team, also swished the net 15 times from the open court, but made good only 10 out of 23 free throws. Reed, working his old familiar slot under the board, sunk six baskets and added a foul toss for 13 units.

In addition to Reed, who is attending school at Edinboro State Teachers College, the Alumni squad included Don Kuhre, also an Edinboro student, Andy McComas, University of Pennsylvania; Bill Houston, Bucknell; and Jack Sutter, Ralph Fischer, Dave Bevevino and Guy Bearfield, all of whom are active this year in the YMCA City League. The squad was under the supervision of Buzz Coker.

Coach Massa shuffled his starting lineup for the tilt, with Reese, Gail Nelson and Shattuck taking their usual posts, while Bob Brumagim took over the forward slot usually held by George (Ace) Hesch and Randy White filled in at pivot in place of Dick Christensen. Both Christensen and Hesch saw considerable action later in the game, however. Five other subs Harry Danielson, Don Wood, Gail Bimber, John Hanna and Bill Tannier, also broke into the lineup in the closing minutes.

The Varsity squad gained a 14-8 lead in the first stanza and widened the margin to 11 points in 27-16 scoring at intermission. The game then started rolling in the back stretch and outpointed the Varsity, 8-6, in the third frame and 16-11, in the final eight minutes, but were unable to get closer than four points, the final victory margin.

Nelson was lost to the varsity via the personal foul route near the end of the third frame, while Phil Colosimo of the Alumni five was benched for the same reason in the final minutes of the fourth period.

BOWLING Two Coaches Both Predicting Defeat

Dallas, Dec. 29—(AP)—Coaches of the Cotton Bowl teams—Maty Bell of Southern Methodist and Jim Aiken of Oregon—each predicted today that his eleven would lose. Which is an impossibility, but that's what the men said— they said that.

Led was more specific. "We'll get beat by two or three touchdowns," he said as calmly as he could. "All T teams gain lots of ground on us and here's one that also has an outstanding passer in Norman Van Brocklin. We never have faced a passer like that on a T team before."

Aiken was plain disgusted by the showing of his team in scrimmage yesterday. "We didn't have a sign of defense," he growled. "We couldn't hope to stop Doak Walker and Gilbert Johnson with what we showed. Offensively, we looked good, but you have to stop the opposition, too, if you expect to win."

Philadelphians put the finishing touches on the first half championship of the Sylvania Women's tennis league by putting a 3-1 defeat on the Woodpeckers in a scrap on Arcade alleys Tuesday. A second scrap ended in a clean sweep for the Bluebirds over the Red Robins.

INDUSTRIAL LEAGUE: Farr's Sports Shop, riding the second place slot in last week's Industrial tennis league firing, amazed the first half championship as the result of league scraps on Penn alleys last night.

Farr's split even with the West Penn Oilers, but last week's leader, Timmie Eros, was smeared for four points by Warren Food Lockers. Other matches saw Check Bros. top Kinnears, 2-1, and Warren County Insurance duplicate the performance against Warren County Motors.

Ed Hagberg of the Insurance squad and Andy Randell of the motor team waged a bitter duel in which Ed put together linescores of 201, 202 and 223 for a 626 total while Andy notched a 612 aggregate on games of 256, 185 and 190. Tom Masterson, of the Farr's squad, also cracked the 600 ring with 255-164-190-609.

SPORTS ROUND-UP

By HUGH FULLERTON, JR. New York, Dec. 29—(AP)—By a roundabout route from Texas comes a belated horse laugh over Southern Methodist's request to take its football team on a pleasure trip after the Cotton Bowl... The story was that it was to give the Mustangs the same reward as the also-rans who accepted more distant Bowl bids. "You'd think the SMU team was made up of 44 prisoners of war who hadn't been out from behind barbed wire in years," writes one correspondent. He then adds that SMU visited Pittsburgh, Fayetteville, Ark., Columbia, Mo., and a couple of Texas cities this year and went to California in 1947. Still they're stay-at-homes compared to almost any basketball squad you can name.

Shorts and Shells: Pell Mel Patt, the California sprint flash, is busy managing the boys department in a Los Angeles department store and won't do any running during the indoor season... The University of Miami will be sponsor of this winter's polo games in the Orange Bowl, but there also will be plenty of high-goal players on display... Missouri has played in three different football "Bowl" games and never has won. Texas and Georgia, which meet each other, have been in nine bowl tussles and neither has ever been defeated... James Garner of Amarillo, one of the best schoolboy footballers in Texas this year, confounded college talent scouts by saying he won't play college football. Jim is a fine tennis prospect, too, and wants to stick with that game.

Cleaning The Cuff: Bucky Walters won't listen to offers to trade for Cincinnati pitcher because he claims that was the club's weakest position last season. That's what we'd call drawing a fine distinction... Claims for more than \$250,000 passed through the claiming box at Tropical Park during the first half of the current race meeting. Those horses must be expensive as hamburger.

Eaton on Washington Cage Squad at W&J: Jack Eaton, former Warren high school star now playing with the Washington & Jefferson College basketball varsity is the "Washington" squad, according to word received here. By way of explanation, W. & J. Coach Adam Sanders has borrowed the two-platoon system from off the gridiron for the cage sport. He uses two squads, both equally strong, as alternates then frequently throughout a game. W. & J. fans have nicknamed the squads "Washingtons" and "Jeffersons."

With Eaton on the Washingtons are Dave Knoche, Chuck Davis, Tom Osso and Huck Hartman. The Jeffersons include Andy Mesovic, George Snyder, Andy Turner and Bill Parkinson. In four games, Eaton's crew has scored 106 points, while the Jeffersons have tallied 105 units.

ROSE BOWL GUESSING CENTERS ON BURSON

Pasadena, Calif., Dec. 29—(AP)—In the absence of any major development, today's Rose Bowl conjecture centered on a right as it belongs to Quarterback Don Burson, who is not only North western University's best but practically her only worthwhile passer. The arm, which accounted for 33 completions out of 80 throws for a not so sensational gain of 493 yards this fall, is sore. There is nothing seriously wrong, but it is so sore that it will be kept under wraps, unused for throwing purposes, until it accompanies its owner onto the playing field New Year's afternoon against California.

Dragon Gridders Add North East To Card

J. B. Leidig, head football coach and athletic director, today announced that the Warren Dragon gridders will play North East High at North East next Oct. 7. The date fills a gap in the Dragon's 1949 schedule caused by the severing of athletic relations with Warren by Jamestown, N. Y. North East was once a familiar opponent on the Warren card, but no games have been played between the two schools in recent years.

Number 618 Is on the Right Track

The town of Prichard, Miss., was without an organized church. So T. P. Howard, a church elder, wangled a used trolley car from a friend, and now old number 618 is the Prichard church. The congregation crowds the trolley seats, which are now pews. The elders and children combine meetings on Sundays in the trolley-church.

Slippery Highways Cause Two Deaths

Hancock, Md., Dec. 29—(P)—Two women were killed and 20 passengers aboard a bus which caught fire narrowly escaped injury in accidents today caused by icy highways in western Maryland.

Killed when their car sludded into a bridge culvert were Mrs. Bruce M. Fisher, Sr., 47, wife of the Bedford, Pa., high school football coach, and Dorothy Fisher, 19. The two women were not related.

The Fishers were driving their 19-year-old son, Bruce, Jr., back to Virginia Polytechnic Institute, accompanied by the young Fisher girl. The father and son are hospitalized with injuries not considered serious.

A Blue Ridge Transportation Company bus also slid into a bridge and a gas tank exploded. The passengers had to run to safety through flaming gasoline. State Trooper Harold Easor said it was "almost a miracle" that anyone escaped from the flaming bus. All baggage on the bus which was bound for Pittsburgh, was destroyed along with the vehicle.

Cardinal Refused To Leave Hungary

Vienna, Austria, Dec. 29—(P)—Josef Cardinal Mindszenty refused to leave Hungary although he knew his arrest by the Communist dominated government was imminent, his assistant secretary has told friends here.

The secretary, a Father Paulus, passed through Vienna last week en route to France. He was quoted by friends as saying the Cardinal had been warned repeatedly by associates to leave Hungary, but refused, saying "I, shepherd, must not leave his flock."

Market Quotations

New York, Dec. 29—(P)—The stock market showed slight rising tendencies today. Improvement followed yesterday's decline, the largest overall drop of the month. Signs of a rally late in the day, however, indicated that a resistance level had been reached—at least temporarily. Gains were mostly in small fractions and a good handful of stocks dipped a trifle or held unchanged.

Honest Name

To the Editor:
According to The Chicago Tribune, there is a saloon in the windy city called The Sewer. It is located, says this paper, at 626 N. State St., and has "a record for immoral entertainment and serving liquor to minors."
Well, at least it has an honest name. It doesn't call it-

self Paradise Room and pretend to be a way station on the road to heaven. It frankly admits that it's a sewer leading through all kinds of dirt and smut and filthiness down to the other place.
Maybe the high-toned dives smell better to you humans, but to my nose even the Paradise Rooms smell like cesspools.

Big Jobs With Big Pay Are Looking For The Right Men

By SAM DAWSON
New York—(P)—You'd be surprised how much room there is at the top. Big jobs with big pay looking for the right man. One company raising another for their key man.
So, more companies are insuring brains as well as physical plants. Insurance taken out by companies against losing their key men now runs "into the billions," insurance executives estimate.

It has multiplied ten fold in the last ten years, Holgar J. Johnson, president of the Institute of Life Insurance, estimates.
In addition to insuring the life of an executive so that the company will have money to compensate for the loss of his experience and name, companies also insure themselves against losing key men to others by inducing executives to stay on through gifts of life insurance they can leave as an estate.
Actual figures on the amount of this kind of insurance are unavailable because insurance statisticians classify policies by terms, not by purpose.
Insurance of men as "property" is back in the news again just now because of the tempest in the radio teapot. The funny men of the air are wrapping themselves up in legal corporate cellophane and selling themselves as a "talent package."
One idea, of course, is to get out of the high bracket of personal income taxes and into the smaller tax bite of capital gains. The
